UK College of Social Work

Kentucky Kinship Resource Center

ky-kins
KENTUCKY KINSHIP
INFORMATION, NAVIGATION AND SUPPORT

KY-KINS is an innovative new peer support system designed to creatively support kin and fictive kin caregivers. The program connects caregivers to credentialed peer supporters with lived foster and kinship care experiences. Ultimately, KY-KINS seeks to foster a collaborative, dynamic network to help kin and fictive caregivers, and their families, thrive.

KINSHIP CATALOGUE
Virtual Training Series

KINSHIP Catalogue is a suite of brief trainings conceptualized to meet the evolving needs of kinship and fictive kin providers throughout Kentucky. All trainings are delivered via CoSW's unique Learning Management System (LMS), which allows caregivers on-demand access. KIN Catalogue training content is ever-growing, and includes an array of topics including self-care for caregivers, child trauma, and legal issues related to caregiving, among others.

KIN-VIP
KINSHIP Virtual Interaction Program

The KIN – Virtual Interaction Program, or KIN-VIP, is a program designed to build community among kinship and relative caregivers across the Commonwealth. Using virtual platforms and facilitators with group leaders who have lived kinship caregiving experience, KIN-VIP is offers caregivers a safe, accessible environment to seek relevant information and support specific to the relative and fictive-kin caregiving experience.
